(Delivered on this 05<sup>th</sup> Day of January, 2018)

- 01)            The applicants have filed present application under Section 50A (i) of the Maharashtra Public Trusts Act 1950 (here-in-after referred as M.P.T. Act, 1950) for settlement of scheme to the Trust.
- 02)            The applicants stated that the trust is registered as A – 5024/PBN. They stated that there is no scheme to the Trust. It is submitted that for proper administration of the trust the scheme may be framed and settled for the trust.

*(Handwritten signature/initials)*

03) The applicants have filed the draft of Scheme, copy of order in Inq. No. 547/16 at Exh. 17, consent letter of all the proposed trustees at Exh. 02 to 08. Copy of notice and minutes of meeting (Exh. 14 & 15). Consent letter of all the trustees on record at Exh. 18. Applicant has filed his affidavit at Exh. 19.

04) After receipt of application all the trustees on record appeared before this authority and filed consent letter of all the trustees on record at Exh. 18. Applicant has filed his affidavit at Exh. 19. Nobody objected this application.

05) Heard the applicant in person. He submitted that there is no Scheme to the trust since its registration. Therefore, in order to manage the administration of the trust, settlement of Scheme is necessary. He submitted that for proper administration of the trust they have filed proposed Scheme. Hence, application be allowed.

06) Considering the application, submissions, documents filed on record and provisions of the M.P.T. Act; following points arise for my determination, I have recorded my findings thereon for the following reasons.

### POINTS

01) Whether for proper management / administration of the public trust the scheme is necessary to be framed?

### FINDINGS

... In the affirmative.

02) Whether the proposed scheme is in the interest of public trust?

... In the affirmative.

03) What order?

... As per final order.

**-: REASONS:-**

**As to Point No. 01 & 02 :**

07) Firstly, it will proper to deal with the legal provisions provided by the M.P.T. Act. Section 50A of the M.P.T. Act empowered the Assistant Charity Commissioner to frame, amalgamate or modify the schemes of the Trust. Sec. 50A (i) provides that where the charity commissioner has reason to believe that, in the interest of proper management or administration of public trust, a scheme should be settled for it, then after giving the trustee of the trust an opportunity to be heard, he may frame the scheme for the management or administration of the trust.

08) In the present matter the applicants applied for settlement of the Scheme, because according to them there is no Scheme to the Trust for the administration and management of the trust. Considering the provisions of sub sec. 1 of Sec. 50A, it has to see whether the framing of scheme is necessary in the interest of proper management or administration of public trust.

09) In view of the above legal aspect, I have considered the submissions of the applicants. It can not be disputed that the trust is not having Scheme for its administration and management. The Charity Organization is empowered to control and regulate the management of the various trusts according to the Maharashtra Public Trusts Act, 1950. The

*(Handwritten signature)*

present trust is having movable and immovable property. As there is no any Scheme for administration of the trust, in such circumstances for proper management of the trust there is a need of settlement of Scheme for the trust.

10) The applicant has filed proposed draft scheme. I gone through the said draft scheme. There is a need to alter some provisions of the said draft. Therefore, I have settled the said scheme by providing all necessary rules for day to day management of the trust. The said Scheme is a part & parcel of this Judgment.

11) All the trustees appeared before this authority and given consent to the proposed Scheme. They are shown as first board of trustees. It appears that they are the trustee on record. Therefore, there is no reason to decline the said proposed board of trustee as submitted by applicants. Therefore, the said persons name has been stated in the scheme as a first member of trust. Therefore, I answer point No. 01 and 02 affirmatively.

**As to Point no. 03 :**

12) As per the above settled scheme it is necessary to elect office bearers of the trust. In this background, the present first member of trustees are directed to held election for the office bearer of the trust within three months from the date of this order. Hence, in answer to point No. 03 I pass the following order.

**∴ ORDER ∴**

01) Application is allowed.

- 02) The Scheme of the Trust is hereby settled. The Annexure – A i.e. Scheme shall be the part and parcel of this Judgment.
- 03) First members of the trust are hereby directed to held election of office bearer of the trust within three months from the date of this order. If they failed to take election then necessary action will be taken according to Law.
- 04) Schedule – I be amended accordingly.
